3. President's Report

The Club has enjoyed another busy and successful year through all aspects of its operations. As promised, the Management Committee has also focused on the completion of the final stages of our main facility, with the view to introducing new programs in partnership with organisations such as Special Olympics ACT Region. In particular we wish to enhance participation, without jeopardising current programs and gymnasts.

The Club continues to participate in Community events such as the ACT Playgroup Association's "Let's Get Physical" day held recently in Corroboree Park. Our contribution to local events and well-chosen programs like the PCYC Street Smart Handbook ensure the increasing the profile of gymsports as positive sports within the local community. Our own in-house competition/display, the Christmas Cup, is joined by a new event: The Kinder & Gym Challenge, an invitational for the youngest gymnasts in Canberra. We hope these events continue to bring extended families and the community into the gym, while being enjoyable 'staff' days with 'all-hands-on-deck'!

Gymnastic Results

Again, Club gymnasts have enjoyed excellent outcomes in both ACT, interstate and National competitions. All event results are attached.

This year was relatively quiet in regard to travel for senior gymnasts: they attended NSW Championships Trials in February, then Australian Championships in Sydney in May. On the other hand Junior gymnasts traveled to WAG Level 4 to 6 National Club's, held interstate (Caloundra) for the first time in many years.

All our National Womens Artistic Gymnasts (WAG) performed very well at State Championships with juniors winning the runner-up Champion Club trophies at levels 1 to 3. Canberra City went on to win the level 4 to 6 Champion Club trophy with Candice Allan and Emily Glover being ACT level 4 & level 5 Champions respectively. In levels 7 to 10, Melissa Orr, Phillipa Dickens, Lauren Donne and Shana Keighran became the level 7, 8, 9 and 10 State Champions respectively with Anthea Hewett named ACT Gymnast of the Year (2004-2005), an honour received by a Canberra City Club gymnast for many years.

All trialing CCGC gymnasts represented the ACT at Australian Championships. Notable performances were Phillipa Dickens' Silver medal overall at Level 8; Elise Wright's more than credible return to competition after breaking both elbows soon after the 2004 Championships, and Shana Keighran's 6th place overall in the Level 10 competition. The Club's spanking new level 7's also impressed judges with their quality work.

A squad of level 4 & 5 Canberra City gymnasts qualified to compete at the Junior Women's National Clubs, held in Caloundra, QLD in September this year. Canberra City's level 4 team won Bronze on Floor, while our level 5 team, came 4th on Vault & Bars and 5th overall, all outstanding achievements for a small delegation.

Our State Levels' gymnasts happily joined all ACT competitions including the final grading days, with many achieving blue and gold ribbons at levels 1 to 4, while in levels 5 to 10, Canberra City gymnasts regularly placed in the top three.

The entry to ACT MAG State Titles and MAG National Clubs of some of the boys in our fledgling national levels group was a first for the Club and has paved the way for improvements and development of the program.

Another first for the Club was to provide a new (subsidised) competition leotard for the level 1 to 3 gymnasts, finally giving up the idea that aqua lycra and a black stripe would become fashionable again.

Staff

Last report we noted farewelling Ludmila Kostenko. So, it is with pleasure to report welcoming Ludmila back to Canberra City at the start of this year.

A big welcome to 'new' staff for 2005:

Mary Schumacher, experienced gymnast, coach and program developer;

Amber Ashley and Laura Creese, accredited coaches from NSW attending University of Canberra;

Naomi Nye, coach and new Kindergym program coordinator;

Beck Davis, Cheerleading Coach;

Bobo Zhang, acupuncturist and exponent of traditional Chinese medicine. Bobo visits weekly and provides recovery massage/injury intervention to senior gymnasts.

We bid farewell and thank you to:

Rita Wotkina, Ballet coach, following her full-time appointment at the AIS;

Jakki Woywitka, coach, taking up a position at the University of Canberra;

Phil Cossens, physiotherapist, although Phil attends to our gymnasts via Atlas Physio.

The National program and Club ethos continues to be strengthened under Qu Derui's jovial leadership. We are also indeed fortunate to have the ACT senior WAG levels Judge and accredited coach, Connor Carson, continuing to advise the Committee.

The Committee has continued its policy to support personal and professional development for all staff by subsidising course fees and travel as well as holding regular in-Club workshops.

Staffing continues to be problematic on a daily basis and the continuing challenge for the Committee is to balance the very transient nature of the gymnastic coaching scene with appointments of young, committed, professional coaching and administration staff. We hope to address this in the future by utilising Gymnastics Australia's new education and accreditation pathway.

Membership & Advertising. External Programs. New Programs.

Membership numbers have steadied around 800 (from around 650 in 2003) for the whole year including children participating in our Schools program. The enrolment form survey indicates that TV advertising and word-of-mouth are how most members learn of the Club. A project underway is a Kindergym class DVD for background screening during displays, etc. Even so, the Committee has again contributed to worthy published supplements: Capital Parent and PCYC Australia's Kids Smart publication. Of course, the World Gymnastic Championships next month should provide some impetus to gymnsport programs.

External Programs

Canberra City, as a parent organisation, has tried to maintain participation levels at the various campuses (TEAM, RAGE, Majura and Miles Franklin) with varied success. We hope to review how to assist the programs. An exciting new program is the *Adult Cheerleading* currently training at Jamison YMCA and at our Club Tuesday evenings. We look forward to the continued enthusiasm and success of CCGC-MAYHEM.

Many thanks to committee members of the satellite programs

Schools Program

This area of the Club's continues to be a major contributor, not only to our participation numbers (eventually at the Club), but also to the Club's financial well-being. We have two schools where Club coach Geoff Monro, provides gymnastic tuition to all classes: St Mathews, Page and Charnwood Primary.

Education

The Club continues to hold technical and information workshops every term. Club judges have presented sessions at ACT Judge level One and Level Two courses. We will have a judge attending the FIG continental Judges course in Melbourne early next year as an observer; continuing the Club's commitment to providing up-to-date information to our community - in this case regarding the very different Code-of-points, which will operate at Commonwealth Games and to be premiered domestically at National Club Championships.

Building, Infrastructure and Equipment.

The Club has continued its make-over projects as well as providing budgets to coaches for equipment requirements. Kindergym in particular benefited from the purchase of a range of modified equipment. Greatly appreciated was the sealing of our carpark near the end of 2004 (**\$19000**). Members were never so happy to use pay parking!

A small but appreciated project is the gradual re-covering of various mats used by all the gym programs. Another, is the wonderful signage panel now adorning the south roof - thanks to the work of Kerry Glover. The Mural of CCGC gymnasts who have represented Australia and reached Level 10+ at the Club is providing bright internal highlights. Thank you to Brian Hewett for spending many Sundays painting the new walls and Artist member Lucrecia De Silva for painting the mural - a work-in-progress.

Our Change-rooms upgrade, under the auspices of a **Renewing Community Facilities Grant (\$26000)** from the Chief Minister's Department has begun with the installation of new lockers and a skylight. *Tradeworks* will be completing the next phase over the next few weeks.

The major work this year has been the commissioning of building plans to complete Stages 4 & 5 of the Facility as well as developing partnerships and preparing grant applications to fund the project. The well prepared plans made it through development approval by September and the final detailed plans are being completed. Thanks must go to Russell Byrne, Architectural Draughtsman, and Club member Mr Schneider, who acted as Project Surveyer on our behalf.

Financial support has come through our successful **Sports Loan Interest Subsidy Scheme** application to ACT Sport & Recreation. What this means is that the Commonwealth Bank has agreed to lend CCGC **\$450000**, and the SLISS will pay all interest payments over the ten years of the loan (worth around **\$197000**). Our application for a **Capital Assistance Program (CAP)** grant for **\$100000** will be announced on November 12th. We are excited to report that the Club has been invited to this announcement event.

The Committee is pleased to be able to realise more milestone projects and equipment purchases improving the work and training environment for current and hopefully many future members, as well as ACT programs and competitions.

Office & Administration. Communication.

Office Manager Jenny Xian's administration and accounting workload continues to increase. The Committee itself has had to work for smooth transition of a few gymnast transfers. We are hoping to provide an Exit Survey for ACT Clubs, following the success of Staff and Program surveys, developed and disseminated in the Club this year.

Transact Broadband and the networking of the office computers was completed early this year and still to be done is the upgrade of our printer/photocopier (as per small grant, **\$2000**, from Sport & Recreation ACT)

Canberra City's website <http://www.canberracity.org.au/>, continues to draw interest from interstate and overseas - and indication of the marketing value of online information.

Volunteer Efforts. Grants. Awards.

Thanks to the volunteer effort of the Club's members, gymnasts, parents, coaches and judges, we again earned future financial support for the Club's contribution to the hosting of the Reach for the Stars competition in December 2004 as well as \$2000 for a successful MAG National Clubs in July. Sharon Philp's' tea & coffee stall at this event was another success, raising over \$1800 for Club gymnasts travel.

Closer to home, the Committee wishes to formally thank the volunteer efforts of Jane Donne for organising Rosters for both Gym Cleaning and the Saturday morning Sausage Sizzles, as well as all the wonderful parents that turned up (~\$4730 to date). I urge all members to support their efforts. Thanks must also go to Wests Rugby Club, with whom we are affiliated, for supporting the Sausage Sizzles with sausages and bread.

The Club's 2005 application for a Wests grant has not been announced, and we are hoping to receive \$3000. Finally, **congratulations** to Elise Wright recipient of Wests 2005 runner-up Junior Sports Star Award.

Finance

Members may note that much of the discussion above is reflected through the account-lines in our Profit and Loss statement.

Fees have been maintained at a reasonable level, although a small increase may again be necessary later next year and will be discussed at the executive committee level.

On the other side of the ledger.....

Gymnast Scholarships are a pleasure to award and to grumble about! This year Phillipa Dickens received both a fees and travel expense scholarship following her performance at Australian Championships. Emily Glover received an inaugural travel scholarship for a level 4-6 gymnast, following an AA score of 37.00 points at National Clubs.

Staff Wages (and therefore on-costs such as now-9% superannuation, workers compensation, etc.) increased again in 2005, and the Committee will review a further small increase in the near future.

Professional Development, mentioned earlier, has been supported by full reimbursement of two Senior First Aid courses and Judging plus Coaching course fees following successful completion by staff members.

Maintenance and Equipment Purchases are important ongoing aspects of current and future expense for Club safety and success. A major item here will be the **out-fitting** of the new multi-purpose and trampoline facility, once completed. The Club will look into another **grant application opportunity**.

Referring to the financial statements.....

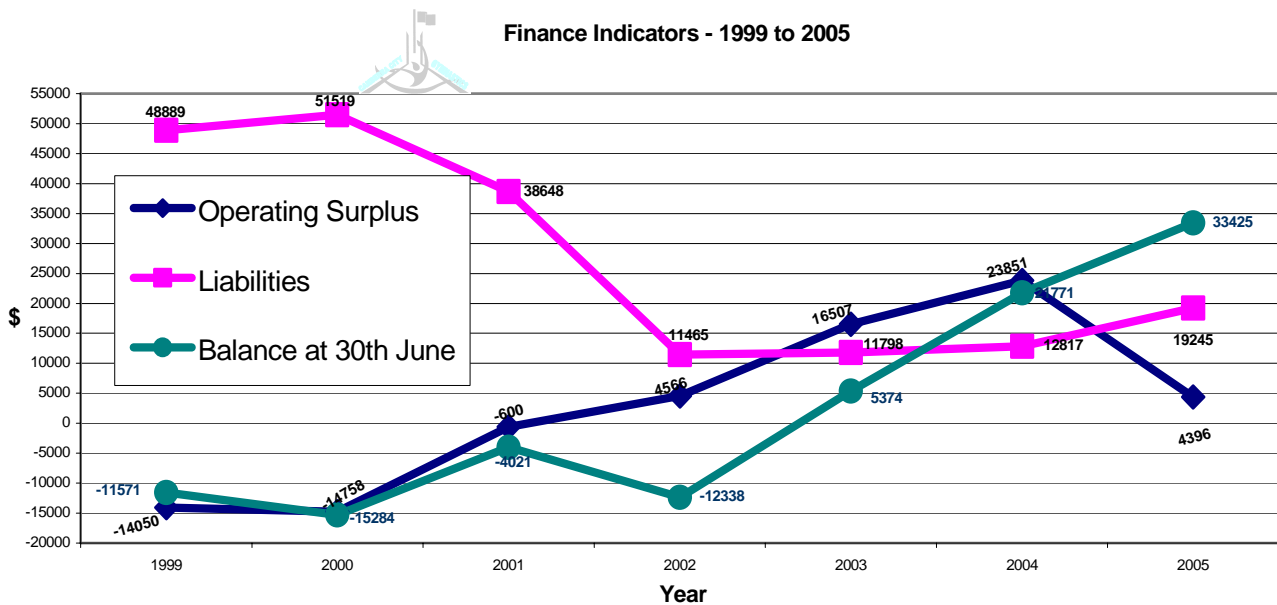

The Club has posted an operating surplus, which has decreased in comparison to 2004. However, this is still a pleasing result considering the major expenses incurred in this financial year: part of the new sprung floor and walls, car park, architectural drawing fees... , as well as the liabilities, which have been accounted for.

It appears we are in credit with the ATO for over payment of GST (\$4342)!

Liabilities as at 30 June 2004 include leave provisions as well as the usual July wages and on-costs. Finally, please note that our grant of \$26000 (\$21000 balance) resides in a separate account, as required by the Department!

Notable Comparisons. Figures as at 30 June Audit reports.

Account	2000 \$	2001 \$	2002 \$	2003 \$	2004 \$	2005 \$
Income	217372	236958	253657	278140	362912	447224
Expenses	232130	237558	249091	261633	339061	442828
Operating Surplus	-14758	-600	4566	16507	23851	4396
LSL & RL Provision	5536	6314	0	1200	2300	6120
Loan – L & D Sharp	14000	0				
Loan CBA	20816	14218	4405	0		
Total Liabilities (Mostly July wages + on-costs, post '01)	51519	38768	11466	11798	12817	19245
Members' Equity	185546	192444	203038	216892	242015	249797

In conclusion.....

The Club has achieved a great deal in this last year across all aspects – thanks to the great support offered to the Committee by the staff, members and volunteers.

The next project the Club needs to prepare for is the **Grand Opening** of its newly completed extension stages (**July?**). In particular it would be nice to invite the Minister(s) and ACT officials as a measure of our thanks for their support, as well as to show what we have achieved.

I believe we have a wonderfully friendly and competitively keen Club, which can lead the way in ACT gymsports under the current climate of Club spirit, commitment and trust of members and staff.

Mary Hewett
29th October 2005

CCGC Parent Group Report

The parent's at the gym have had a very busy and productive year. Our main roles have included fundraising and cleaning the gym on a fortnightly basis.

We began with a tea/coffee snack stall at 2004 Reach for the Stars competition. Many thanks to Leslie Dickens for coordinating this fundraiser.

Other major fundraisers were focused on raising monies for gymnasts travel to National Clubs in Caloundra. Thankyou to Nadia Frankham and Terese Peel for organising a fun movie night at the gym; to Sharon Philp for coordinating another tea/coffee snack stall: this time at 2005 MAG National Clubs, AIS Arena; to Jane Donne, Mary and Brian Hewett and all who contributed to making the trivia night a fun and successful evening; and to Debbie Allan for coordinating the wine tasting night at the gym which I know was enjoyed by all! It was with great pleasure that we were able to contribute approximately \$400.00 to each gymnast's travel costs to Caloundra.

The ongoing weekly sausage sizzles have not only provided a service to those early birds on Saturday mornings, but have contributed to building a strong community spirit within the gym. It has been wonderful to see so many families assisting with the weekly bar-be-ques

As Parent representatives on the Canberra City Gymnastic Club committee, we have attended regular committee meetings. We have taken a parents perspective to the meetings and raised issues that are important to parents in the gym community. It has been an enjoyable year and we look forward to the exciting year ahead – with the major extensions to the club being the highlight.

Kerry Glover and Jane Donne.

CCGC- RAGE Gymnastics Parent Helpers Sub-Committee

2005 has been a very good year for RAGE gymnastics with gymnast numbers increasing, a very good group of committed and helpful coaches and last but not least an excellent and committed group of parent helpers. All of which has enabled a large group of children in Gungahlin and surrounds to enjoy regular gymnastic exercises and games with the emphasis on fun, flexibility and fitness.

Mary Schumacher replaced Kimiko Holder as RAGE Head Coach at the beginning of 2005 and did a great job getting so many things in order - administration, organisation of routines, cleaning up the storeroom etc. etc. - her contribution in the first two terms of 2005 was greatly appreciated up until the time when she reluctantly left the club, at least for the time being. It is just as well she had a good excuse (having a baby) because otherwise we wouldn't have let her go!

Since that time Kelly has taken over as Head Coach and continued in the same efficient friendly manner that we have experienced with other Head Coaches - the Parent Helpers would certainly be lost without a Head Coach to answer all those difficult questions and enquiries from parents, etc.

Male gymnastics coach Geoff has also recently started teaching at RAGE on Wednesday evenings - he is a welcome, energetic addition to the coaching group and is hoping to gradually build up the boys' gymnastics at RAGE along with Aaron, who has been coaching RAGE boys this year. Also many thanks to Tegan Urquhart who has been coaching at the club for quite a while now and continues to be one of our coaching stalwarts.

On the sub-committee itself we have very recently bid a reluctant farewell to long-time parent helper and former RAGE president Mike Nendick, who also luckily for him had a very good excuse (moving his family overseas so that he could accept a job in Europe working in Aviation Safety). We thank Mike and all of the other parents who help out every Wednesday evening and at other times to keep the club going.

We have also welcomed Jayne Lees and Sharon Baker onto the Parent Helpers Sub-Committee recently - currently we have about the right number of parent helpers and can keep our side of the administration etc. going, passing money and messages to the CCGC office and/or the Head Coach seems to work fine.

On the fee paying and enrolment side we seem to have the structure about right, most parents now pre-enrol and pre-pay for each new term with perhaps 3 or 4 families still paying casually by the week. Cross checking of rolls and payment records reveals that there are very few parents who don't pay their fees up front quite happily, and all pay up when reminded.

We thank the CCGC committee, administration and members for their continued support for RAGE. We look forward to continuing the partnership into 2006.

CCGC TEAM Gymnastics Report

TEAM Gymnastics classes run on Mondays and Saturdays at Charnwood Primary school. The classes have enjoyed full attendance for beginners to level 3. The gymnasts are always keen to attend competitions and grading days and some of the level 3 boys and girls, both MAG national and WAG state have moved on to Canberra City as they became ready.

Charnwood Primary School, itself, is also very involved - with the whole school taking gym classes on Mondays from 9am to 3pm. This year, the school worked towards a great gymnastics musical: The Charnwood Circus. This was a great success - a fantastic crowd of about 400 seeing the show and many asking about gymnastics classes afterwards. Roll on 2006!!
